

**Diocese of Bismarck
Parent/Legal Guardian Permission Slip
and Indemnity Agreement**

I consent to the participation of my child

in Schapp's Science Club Summer Camp.
In consideration for my child's participation, I agree to reimburse Bishop Ryan Catholic School (understood to include the Diocese of Bismarck) for all reasonable legal and court fees incurred by Bishop Ryan Catholic School in defending a lawsuit that I or my child may bring against the school which relates to the above named activity
if Bishop Ryan Catholic School is found not legally liable by the courts and prevails in the lawsuit.
If the school is found legally liable for injuries sustained by the child, this paragraph will not apply.

I certify that I have an understanding of this agreement and any risks and hazards associated with the activity described above that my child will be participating in. I further understand that I had the opportunity to fully discuss this agreement with a representative of Bishop Ryan Catholic School to clarify any concerns or questions about the activity or this agreement that I may have had.

2018 SESSION

One session only:

May 29th-June 5th

**(Summer Camp will not meet
over the weekend.)**

Open to students
who have completed
Grades 3-8.

**LOOKING
FOR**

SOME AWESOME SCIENCE FUN THIS SUMMER?

Schapp's Science Club Summer Camp lets students get a little science into their summer vacation. In 2018, Schapp's Science Club Summer Campers will be exploring STEAM during one six-day session:

May 29th-June 1st and June 4th-5th

Summer camp will meet daily from 8am to noon at Bishop Ryan Catholic School. Students who've just completed grades 3-8 are invited to attend, and the cost is \$150 per student, with a limit of 25 students.

To register, please detach and complete both sides of the registration form and return it (along with the payment made out to "JoAnn Schapp") to Mrs. Schapp at Bishop Ryan.

The Power of STEAM

STEAM stands for science, technology, engineering, arts and mathematics, and without even thinking about it, STEAM is part of our world everyday:

Science is our natural world, the sun, moon and stars, Earth's lands and oceans, weather patterns, the diversity of nature in animals, plants, food and fuel.

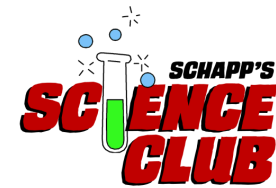

Technology spans history from the first wheel through ages of inventions to today's computers and smartphones.

Engineering surrounds us in buildings, roads and bridges, but it also tackles the challenges of transportation, machines, appliances and systems.

The arts are essential to everyone from software engineers and aerospace technicians to professional mathematicians and lab scientists. Building great things and solving real problems requires creativity.

Mathematics are in play at the grocery store, the bank, doing taxes or a family budget, and in every other STEM field.

Schapp's Science Club Summer Camp will be exploring all the pieces of STEAM and how they work together through engaging lessons and hand-on experiments.

2018 SUMMER CAMP REGISTRATION

Student's Name:

Parent's Name(s):

Address:

Phone Number:

Emergency Contact & Phone Number:

Remember that you are registering for

**8am-noon
May 29th-June 1st
and
June 4th-5th**

Please complete both sides of this form, and return it and the \$150 camp fee to Mrs. Schapp at BRCS. Please make checks payable to Joann Schapp.
